DEPARTMENTAL REPORTS

Road Department/Cemetery

Billy Saunders - Mr. Saunders stated they did a few small drainage jobs. Attended the 10th meeting for the BWC safety meeting so we can get the yearly discount. The EPA was out to check out the compost facility and gave the thumbs up.

Fire/EMS Department

Dave Nangle – 3 members already certified and ready to go for board approval to hire. 2 members going through Clark County HAZMAT Safety Officer class through the EMA, Deputy Chief Allen and Battalion Chief Rob Shaw. Been working with the Sherriff about dispatching issues and jurisdictional lines depending on where the GIS picks it up. Dispatching center has been great trying to figure it out. There was a major incident on the interstate recently with Enon with a motorcyclist that was injured in a crash and then multiple crashes happened afterward, 2 helicopters called out and that was a mutual aid, sometimes you are going to see that it looks like it was in Springfield Township, but truly it isn't.

Jamie Allen – No Report

Deputy Jake Shaw – No Report

Administrator/Zoning Inspector

Jennifer Tuttle – Stated we need approval to schedule a grass abatement hearing set for June 24th, 2025 at 5:45 pm; Jake Shaw went and took pictures, the informal letter went out and it still hasn't been cut.

OPEN TO THE PUBLIC

Brian Mercer came to give an update on the Possum Eagles Park stating it is going slow and steady. Hoping to take down some dead trees this week and starting the bid process to make some much needed parking lot renovations. Mr. Mercer indicated that it doesn't look like they would be utilizing the park for official ballgames this year, as the park district has been a little overwhelmed with this addition, however they will maintain the park, but start league play next year.
