BARRETT BROTHERS - DAYTON, OHIO

#### Held\_

Billy Saunders Road Department has been doing clean up around the Township.

### Fire/EMS

Chief Nangle Breakdown of last year: 2086 calls for Springfield Township. Of those 1696 were for EMS and 1120 of them were transported to the hospital, and 390 were fire calls. The new medic unit should be ready late summer. The new Dispatch Center should be ready to go late summer of 2021.

Tim Foley I see where the Fire Department purchasing needs are \$25,000 and the EMS purchasing needs are \$40,000, we will have the Fiscal Officer verify funds.

Mark Smith We are in the temporary mode with our budgeting, so we can allocate purchase orders for these requests.

### None **Old Business**

John Roeder Stated that in 2020, once Covid became more prevalent, legislation mandated that full time employees be compensated for missing work time because of Covid related issues and the compensation was not a result of having to use accrued time. That mandate is not carried over in 2021. The Trustees agreed to return to policy prior to the Covid mandate change in 2020. For 2021, accrued time will be used.

Trustees decided that any employee exposed to, or tests positive with Covid, will need to use their personal sick time and/or vacation time.
