Seth Flora 507 Neosha

The ARP Funds, if that money could be used to fixing the flooding issue on Highview, I think that would be good use of the money to fix that issue. Also, has anything been found out about the Limecrest Fund?

Mark Smith I did contact that State of Ohio and we need to research the fund. I am working with local legal counsel to find out more information. If the funds are not spent they normally they have to be sent back.

Closing remarks by Trustees

John Roeder We are going to have a Road Department employee retire, Karlene Johnson and would like to have a luncheon for her retirement on July 23rd, 2021, at noon. She has 20 years with the Township
